DON'T FORGET BAGS FOR TALBOT HOUSE —

Thank you to all of you who continue to support this ministry! Talbot House does extraordinary things to help the homeless. We are blessed to share in that ministry! Their doors are open to both men and women and they provide meals, shelter, & clothing, and direct them to medical care as needed. We collect offerings of canned goods—meat, vegetables, fruit, soup, paper goods—paper towels, toilet paper, napkins; cleaning supplies; soap—dishwashing, personal soap, laundry; toothbrushes & toothpaste. We also collect gently used clothes -free from stains, and have working zippers and buttons. There are especially marked baskets in the mail room at the back of the church to place your offerings. Our pickup day is the second Tuesday of every month. We also have a box on top of the table where you may place unused medicines, empty pill bottles, and unopened bottles of over the counter medicines. Talbot House uses the empty pill bottles to measure out soap and shampoo for the residents. Please remove labels from the empty bottles. Large containers of spices, flour, and sugar are real blessings.

From the Pastor.....

The Holy Spirit's gifts

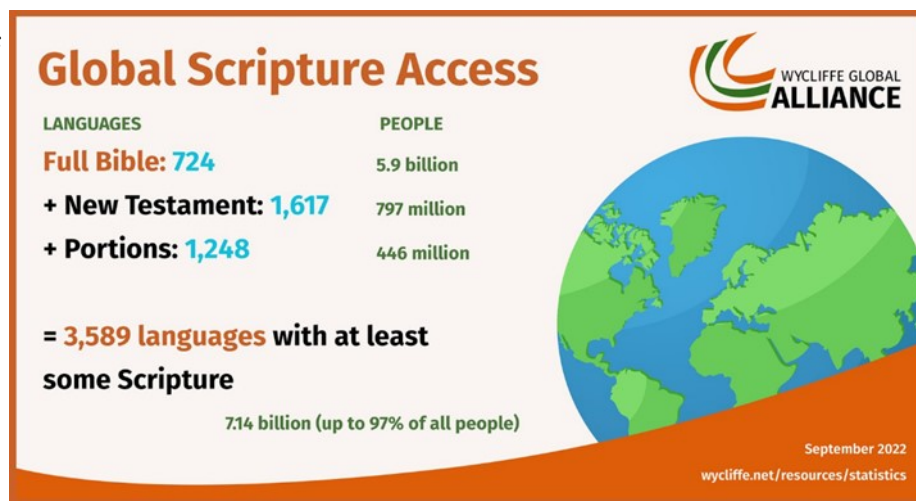

But the Helper, the Holy Spirit, whom the Father will send in my name, he will teach you all things and bring to your remembrance all that I have said to you. Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid (John 14:26-27 ESV).

On the day of Pentecost, the Holy Spirit came upon the church in a powerful way. "...divided

tongues as of fire appeared to them and rested on each one of them. And they were all filled with the Holy Spirit and began to speak in other tongues as the Spirit gave them utterance" (Acts 2:3-4 ESV). The Holy Spirit continues to fall upon Christ's church. According to Wycliffe, the Holy Spirit continues to give utterance as

portions of the Bible have been translated in 3,589 languages. The Holy Spirit continues to come to you, teaching you and reminding you of what Jesus said to all of us in this broken world in desperate need of Him. We look around at the world, and our natural tendency is to have troubled hearts and fear. Instead, in Christ and as we look to Christ, we can have peace. We can be reminded of the peace of God as we are reminded of all that Jesus says to us. And we can rest in God's powerful peace; a powerful peace that points the world to Jesus.

Our Mission Remains the Same...
Living as Christ's Witnesses
Celebrating 75 Years of Mission

"Living as along-siders, means going to where people are!"

Celebrating 75 Years of Mission & Growth

The Goal

Our GOAL is to raise \$1.5 million by September 2023. These funds will enable us to provide \$150,000 in grants to start ten congregations over the next five years.

For every \$2 given, \$1 will be matched.

Help us reach this goal to connect many more people to Jesus!

flgadistrict.org/give

"New starts reach more new people for Christ."

The Florida-Georgia District began in 1948 with 22 congregations, today we are 192 strong. Less than 45% of the US is connected to the Body of Christ and the population of our states continues growing by nearly 2% per year.

God is calling us to "Go and make disciples" and planting new congregations is essential to reaching more with God's love and the only message of hope!

Living As Christ's Witnesses So That All People Come to Faith

- 192 Congregations walking together
- 59 Schools and Early Learning Centers
- Mission driven since 1948
- Sharing God's love with all people in an ever-diverse society
- Offering the only true and unchanging hope for this life and eternity

"For such a time as this!" God has brought us together to be His hands and feet to a lost and hurting world.

The people of the Florida-Georgia District are committed to being a beacon of hope through the Gospel of our Lord Jesus Christ to all people!

Our task is urgent! We ask for your prayers and financial partnership so that many more will experience Christ's love now and in eternity!

"Every congregation is a mission planting congregation. Start something new!"

Imagine... together, we can do this!
 Imagine... if each person and every congregation gave a thank offering, we would reach our goal!

Imagine... the joy over lives transformed and each new believer.
 Imagine... the renewed excitement and revitalization in our congregations.

Stewardship

To Everything There Is a Season

Most of us are familiar with the verses from Ecclesiastes chapter 3 where King Solomon reminds us that everything has a season. 'A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted,' etc....May tends to be a time that the busy activities that have been going on begin to slow down. While it is necessary that many things around here need to continue such as the work in the Board of Communications, the Altar Guild, the Counters, Council and the Trustees are only a few; there are other things that can and will take a much-needed break for the summer. It is good for us to rest and rejuvenate ourselves. Our bodies need it, our spirits need it. Remember that our Lord tells us in Matthew 11:28 to "Come to me all who labor and are heavy laden and I will give you rest."

Our Volunteer Appreciation Luncheon was a time to express our thanks for all the hard work that our members do to further the work of the Lord and this church. If you were unable to attend that, please know how much you are appreciated! If you're able, take some time to relax and rejuvenate yourself. However, the areas of the church that must continue working will still have members who are hard at work.

We ask that you lift these members up in your daily prayers asking God to strengthen them and keep them excited and motivated in the jobs they do. Take the time to encourage those hard-working members when you see them. Maybe even offer a hand if you're able.

We would also like to remind everyone to place any "needs" you may have on the Need & Seed board in the courtyard. Any goods or services that you can offer are very welcome on the "seed" side of the board. Allow yourself the opportunity to bless or be blessed by someone here at Christ Lutheran Church!

May God bless your month ahead as you rest in Him!

Kim Kaniecki/Board of Stewardship

Central America Missions May 2023

These first four months of 2023 have been very busy for the Central American Mission. This year is considered the reopening year after the pandemic, but of course, San Benito Jose (SBJ) Hospital was hosting surgical teams since the second half of 2022. SBJ is hosting a surgical team each month for 2023.

My next mission is this coming June, and this will be my fourth mission this year. I would like to think that slowing down is an option, but there is always those special cases that stick in my mind; cases that are life changing in the people's life. I feel blessed to be able to work with professionals who dedicate their vocation to help those who cannot help themselves.

Christ Lutheran Church has also helped a few orphanages in Honduras. There are orphanages for girls, boys, children with disabilities like Down's syndrome, home for the elderly, and in the orphanages there are also newborns and babies.

These orphanages are also overseen by the Franciscan Friars and local leaders. They work with donations from people and institutions like our Church. Every single donation goes straight to where it is needed. Although, they have to have employees; most of the work is done by volunteers.

The Friars also work on reintegrating the kids back to their homes or parents. Sometimes families find themselves in a temporary crisis. The Friars also have Social Workers who assess and supervise the different situations.

I think that in our life there is a window of opportunity to do something good for others, and that opportunity is now; that is why I don't think I can slow down. If we can help; we must do it while we can. To help the Central American Mission (CAM), you may do it by putting a marked envelope for the Honduras mission or CAM in the offering plate. You may also donate items in the Honduras box in the Narthex.

Our Church has a line item budget for CAM. That money is almost out or already out. Regardless, God will provide and we will be able to help those who cannot help themselves. The shipments and surgical missions will continue. Prayers for CAM.
